STATION 2

STATION 3

STATION 3

Active Experimenters (AE) – Make an origami crane using the given instructions on the table. You can mix and match the instructions. You are allowed to talk to your fellow AE.

Reflective Observers (RO) - Watch and comment on AE's performance using the clipboards given. You are allowed to talk to your fellow RO quietly but not to AE.

Abstract Conceptualizers (AC) - Watch the provided videos and read the provided information on origami folding.

Concrete Experiencers (CE) - Make an origami crane with no guidance or with past experiences. You are working independently and cannot talk to your fellow CE.
